

The Principal of:

1. **Human Dignity** - Everyone created in God's image.
2. **Respect for Human Life** - from conception through death.
3. **Association** - as persons we are sacred and social.
4. **Participation** - we all have a right and duty together to seek the common good.
5. **Preferential Protection for the Poor and Vulnerable** - Matthew 25: 31-46
6. **Solidarity** - global interdependency.
7. **Stewardship** - we are managers not owners of anything including our life and earth.
8. **Human Equality** - treating everyone fairly.
9. **Common Good** - social conditions that allow people to realize their full potential & dignity.
