

Called to Holiness

We are all called to holiness, but for each of us the answer to that call looks different. How are you being called? If you've ever wondered about the religious life, then this night is for you! Young adults are invited to meet religious from over 20 communities in one night! We will have dinner, hear a talk on religious life, spend time with sisters, brothers and priests from around the country and then end the night in Adoration of the Blessed Sacrament with Bishop Noonan.
