

# PREPARING YOUR CATHOLIC LEGACY

Are you too busy to plan for your legacy, not sure how or where to start, or have procrastinated? This seminar will help you get started or at least start thinking about important life and legacy planning for you and your family.

## The Seminar will cover:

- **Wills and Estate Planning** – Everyone needs a plan not just the wealthy
- **Importance of having a Will** – Control who gets your things, or the state of Florida will decide - and they don't know your family like you know your family!
- **Guardianship of Minors** – Who will take care of your young children if you are not able? Who will manage their inheritance until they are old enough and responsible enough?
- **Health Care Surrogate** – If you are unconscious or cannot communicate, who will make medical decisions for you?

*This is a chance to have your questions answered by a professional on these important topics at no charge and with no obligation.*
