

PREPARING YOUR CATHOLIC LEGACY

We pray for our caregivers and for those who receive their loving care.

Come to me, all you who labor and are burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for your selves. For my yoke is easy, and my burden light.

~ MATTHEW 11:28-30

For caregivers, care receivers and all family members, we are offering free seminars on topics such as Wills & Estate Planning, Catholic Medical Care and Matters, Catholic Funeral Rites and Funeral Preparations. These are open to all in our diocese, family and friends.

Seating is limited, so please RSVP to the parish office hosting the seminar that you wish to attend.

Some of these seminars will cover:

- **Wills & Estate Planning** - Important documents like a Will and Power of Attorney are not just for the wealthy or older generation. You should have these documents and other important plans made for yourself and your family. If you or your family don't have a plan, the State of Florida will make decisions for you.
- **Catholic Medical Care** - Understand Catholic practice and teachings on medical care. Detailed information is provided on when nutrition and hydration is a benefit or a burden to your loved ones. Information on hospice care is also provided.
- **Catholic Funeral Rites and Cremation** - Understand the beauty of Catholic Funeral Rites and their meanings.
- **Funeral Planning** - After a loved one passes many decisions need to be made. Many can be made now to ensure a personal and meaningful celebration of life. Make decisions beforehand and reduce the financial burden of loved ones.
