

PREPARING YOUR CATHOLIC LEGACY

Presented by The Catholic Foundation of Central Florida & our Host Parish

You're Invited to a Free Seminar On Planning Your Will and Health Care Surrogate

Everyone needs to have a plan. Are you too busy, think it's too expensive or are procrastinating?

There are important plans **you** and **your** family need for medical and other emergencies.

This seminar will get **you** started or help update important life and legacy planning for **you** and **your** family.

This Seminar will cover these topics and more:

Important documents that you need now:

- **Health Care Surrogate** – person(s) to make medical decisions for you;
- **Power of Attorney** – permits a person to manage your finances, bills, etc. when you are incapacitated.

Important documents you need for later:

- **Will** – decide who gets your things. Without a will, the state of Florida will make that decision - and they don't know your family like you know your family!
- **Trust** – manages finances and can minimize probate.
