

PREPARING YOUR CATHOLIC LEGACY

Presented by The Catholic Foundation of CFL & Church of Our Saviour

You Are Invited To A Wills & Estate Planning and Catholic Medical Care Seminar

Everyone needs a plan.

Do **you** have a will and health care surrogate? Are **you** too busy, think it's too expensive or procrastinating? This seminar will help **you** get started or help update important life and legacy planning for **you** and **your** family.

This Seminar will cover these topics and more:

Wills & Estate Planning

- **Will** – decide who gets your things. Everyone, no matter your income, should have one. Without a will, the state of Florida will decide who gets your things!
- **Power of Attorney** – important document for someone to manage your finances and bills when you are unable to.

Catholic Medical Care

- **Catholic End-of-Life Medical Care** – Catholic views on medical care. Nutrition/hydration when it is a benefit vs. burden; pain care; hospice care.
- **Health Care Surrogate** – If you are unconscious or cannot communicate, who will make medical decisions for you? And will they know what medical treatment you want?
