

General Guidelines for Application

Applicants must be 1) a Catholic (arch)diocese, or 2) a recognized Catholic missionary society in good standing serving in foreign countries or in dioceses in the United States designated as missionary by the U.S. Conference of Catholic Bishops' Home Missions Office.

- Missions must complete and submit a new application each year.
- Regrettably, we generally cannot re-approve Mission Co-Op participants who have visited us within the last 5 years
- Please do not request Mass stipends through the Mission Co-op program.
- Missionary groups may not hand out pre-printed envelopes or materials that in any way attempt to collect names and addresses of parishioners for the purpose of future mail or phone solicitations. Solicitation for sponsorship of specific/named individuals (i.e., orphans, students, seminarians, etc.) is not allowed.
- The MCP appeal weekend requires a speaker to appear in person at the Masses to make an appeal for prayers and financial assistance. Groups may not request that a letter be read at the Masses and a collection taken in lieu of a personal appearance.
- The Diocese of Orlando has many Spanish-speaking parishes. Please let us know if you have a bi-lingual speaker who is native or fluent in Spanish.
- The Diocese of Orlando and its parishes generally do not provide for or reimburse travel costs, shuttle service to or from the airport, or lodging accommodations. It is the speaker's responsibility to provide for his or her own housing arrangements as well as transportation between parish sites and/or the airport.

Thank you for your application to the Diocese of Orlando Missionary Cooperation Plan. Applications for 2024 will be received until May 31, 2023. Accepted missions will receive a letter from the Diocese of Orlando. Please be advised that you will only hear from us if your mission group is accepted.
