PASTOR ACCEPTANCE/DISAPPROVAL

□ DISAPPROVE this transfer request. Reason for disapproval:

□ ACCEPTANCE & AGREEMENT: The pastor and parish community agree to accept this deacon and his family. We agree to challenge him to live fully his dual vocations of marriage and diaconate. We will keep open avenues of communication so that the unfolding ministry of the deacon in Word, Liturgy, and Charity will be able to grow in our midst.

We further agree as a parish to provide financial support, in the form of the annual deacon assessment, for the cost of their continuing formation, annual overnight retreat and convocation for the deacon and his spouse.
