

PROVINCE POLICY ON VOS ESTIS LUX MUNDI

Approved by the Bishops, May 18, 2020

In conformity with the directives of *Vos Estis Lux Mundi*, the (Arch)Bishops of the Province of Miami have determined that the Metropolitan (or the senior suffragan Bishop by promotion, as applicable) when conducting an investigation pursuant to *Vos Estis Lux Mundi* will initially fund the costs of the investigation. Upon completion, the diocese whose bishop was the subject of the investigation shall reimburse the investigating (Arch)diocese. Provided, however, if the costs of the investigation are deemed a financial hardship to the investigated diocese, the seven Florida dioceses may share the cost of the investigation equally.
